Ask Oncor. We Deliver. Events

- Educate consumers about Oncor programs and processes including our interaction in the communities we serve
- Gather insight and feedback and use to improve Oncor operations and services
- Provide open forum for information sharing
- Consumers can learn about: advanced meters, safety, powertochoose.org, how Oncor keeps the lights on, vegetation management, energy efficiency, how Oncor contributes to the communities and CREZ
- In 2010 Oncor held 102 events with 23,000 customers attending
- Target 75 events in 2011
