On May 18, TXU Energy and CSFB announced that they had a memorandum of understanding to explore a 50/50 investment in an energy marketing and trading entity. After a detailed review of the proposed venture, the parties were unable to agree on an economic arrangement that met each side's strategic objectives.

TXU Energy will continue to leverage its internal wholesale marketing and risk management capabilities to manage its purchased power needs and economically dispatch its generation fleet in the Texas market.
